Aspen Gail-Style

My go-tos when in Aspen:

PRADA They have amazing pleated solid-color dresses right now that I love in red, aqua, yellow...but I love everything in that store. I just bought one for my L.A. book party.

THE GALLERIE I love this boutique for small designers and accessories.

AMEN WARDY I always shop here for gifts.

PITKIN COUNTY DRY GOODS My go-to for great midrange designers and accessories. Really, I am totally open as long as it fits well and looks great!

AJAX TAVERN Lunch at the base of the mountain is my fave thing to do ever! The Tavern's burger and fries are legendary, but I also love their seafood and housemade chopped liver pâté!

MAIN STREET BAKERY The best place for breakfast, especially on the back patio in the sunshine.

PACIFICA Love their raw bar and Bloody Marys.

J BAR AT HOTEL JEROME I love sitting outside on their garden patio in the summer.

CACHE CACHE A classic, and always beautiful.
